

# After School Art Classes

Come and be part of our creative fun-filled after school art classes.

Absolutely everybody can build their creativity, and this extra curricular program has been designed to encourage, nurture and inspire your child's growth and development in this area.

Our classes offer children a relaxed and non competitive atmosphere. They will have the opportunity to develop and explore their skills, techniques and imagination confidently in a variety of medias including: drawing, painting, mixed media, sculpture, printmaking and mosaics. We will also be looking at art as an expressive field with an appreciation of aesthetics and the process of art making in itself - the creative journey.

To ensure your child receives individual attention class numbers are limited, so be quick to secure your place.

**Enquiries** can be made to either myself (Fiona) on **0418 502 646** or email **ftweddle@bigpond.net.au**

Alternatively, you can leave your enquiries at the school office. Returning students receive priority on enrolment.

Toorak Primary School students only.

**Classes:**

**Wednesday**

**Senior Art Class - Grades 4, 5 and 6**

**Thursday**

**Junior Art Class - Grades 1,2 and 3**

**Prep children may be able to attend after first term.**

**Times:**

**3.45 - 5pm**

I ask that children arrive at the art room at 3.45pm prepared and ready to start class and remain in the art room until collected at 5pm.

Arrangements can be made for your child to attend after school care if necessary.

**Cost:**

**\$24 per class, payable for the entire term in advance to the art teacher. Each terms cost will be invoiced as per classes in a school term.**

All art materials, a healthy snack and aprons are provided.

**About me (the art teacher):** My name is Fiona Tweddle.

I studied Graphic Design at RMIT, then went on to complete a BA in Education of the Visual Arts at Melbourne Uni where I became the practising resident Artist for 5 years. I currently teach on a casual basis whilst continuing my own creative projects.

I have taught art programs locally and abroad and designed, developed and created a variety of childrens product sold around the world.

I welcome the opportunity to work with your child on their creative journey.
