Documents required for enrolment in Victorian Government Primary Schools:

1. For Australian born children: the birth certificate and an Immunization certificate.
2. For children born overseas: Passport and current visa, and an Immunization certificate.

Please note that holders of certain types of visas (“Dependants of overseas students enrolled in education & training”; “Dependants of overseas provisional parents”; and “Dependants of overseas visitors & temporary residents”) cannot legally enroll directly into this school but must be enrolled through the International Educational Division. The school office has more details regarding which visa sub class numbers are included in these categories.

Please note that the school will be pleased to copy your original documents and return them to you. If you provide copies, they must be certified to be acceptable.
