

CABRINI EMERGENCY DEPARTMENT HAS OFFERED A 50% DISCOUNT FOR OUR STUDENTS

Due to the enthusiastic uptake of the 50% offer to students by schools and the wonderful response from families, Cabrini Emergency Department (ED) is extending the 50% discount offer to our school for another 12 months.

Over 350 students from participating schools attended the ED in the past 10 months, saving each family over \$200+ in fees per visit.

Families attending the ED simply mention our school on arrival. The staff at the reception will have our school on a list of all participating schools.

This offer is open to students from our school 24 hours a day 7 days a week, not just during school hours

This is a saving of \$205 (8 am to 8 pm) and \$240 (8 pm to 8 am weekdays and on weekends)

- The discount of 50% applies to the attendance fee only and would not include any further out of pocket expenses such as X-rays and blood tests
- Cabrini is a private, Catholic, not-for-profit healthcare service that does not rely on funding from government or the Catholic Church. Therefore, they must charge fees for emergency medical care. Unfortunately health insurers do not cover emergency attendances, so they rely on these fees to cover our costs
