FOR STAFF AND VOLUNTEERS

CHILD SAFE STANDARD 3

Child Safety – Acceptable and Unacceptable behaviours

TPS is committed to the safety, wellbeing and inclusion of children and young people. Our school community recognises the importance of, and a responsibility for, ensuring our school is a safe, supportive and enriching environment that respects and fosters the dignity and self-esteem of children and young people, and enables them to thrive in their learning and development.

This Code of Conduct aims to protect children and reduce any opportunities for child abuse or harm to occur. It also assists in understanding how to avoid or better manage risky behaviour and situations. It is intended to complement child protection legislation, Department policy, school policies and procedures and professional standards, codes or ethics as these apply to staff and other personnel.

The Principal and school leaders of TPS will support implementation and monitoring of the Code of Conduct, and will plan, implement and monitor arrangements to provide inclusive, safe and orderly schools and other learning environments. The Principal, Assistant Principal and school leaders of TPS will also provide information and support to enable the Code of Conduct to operate effectively.

All staff, contractors, volunteers and any other member of the school community involved in child-related work are required to comply with the Code of Conduct by observing expectations for appropriate behaviour below. The Code of Conduct applies in all school situations, including school camps and in the use of digital technology and social media.

- treating everyone with respect, both within the school environment and outside the school environment as part of normal social and community activities
- listening and responding to the views and concerns of children, particularly if they are telling you that they or another child has been abused and/or are worried about their safety or the safety of another
- promoting the cultural safety, participation and empowerment of all children
- ensuring as far as practicable that adults are not left alone with a child
- understanding and complying with all reporting or disclosure obligations (including mandatory reporting) as they relate to protecting children from harm or abuse.
- reporting any allegations of child abuse to TPS Child Safety Officer /Principal / leadership, and ensure any allegation is reported to the police or child protection
- if an allegation of child abuse is suspected, ensuring as quickly as possible that the students are safe and protected from harm
