We provide a dynamic learning environment that engages and inspires students to achieve their personal best in an atmosphere of mutual respect and cooperation.
Welcome back to school

I wish to welcome all school community members to the new school year. With the absence of building works for the first time in many years, all students and staff have had a very smooth beginning to the new school year. The four prep classes have settled extremely well with the support of their senior school buddies. As I visited all classes on the first day of 2015, it was pleasing to observe all students engaged in their learning in very orderly classrooms.

The school buildings and grounds have been prepared over the holidays and were beautifully presented in preparation for the 2015 school year. We are very proud of the facilities available at Toorak Primary School and regularly receive positive comments from the wider Toorak community.

Parent Information Night

Parent Information sessions will be held over the next few weeks. Please ensure you are familiar with the newsletters from each level of the school, as details of each session will be contained within. An opportunity will also be provided for parents wishing to pass important information to the classroom teachers about individual students. Please ensure teachers are aware of circumstances that may affect your child’s social, emotional or academic progress at school.

Assembly

Due to the extreme heat often experienced in term one and term four, assembly will continue to be held on Friday mornings. Currently prep students attend school for four days only. At the beginning of March, they will join the rest of the school students at assembly.

Hat Lotto, Hat Lotto, Hat Lotto - Sun smart School

In line with our Sun Smart policy, hats are compulsory for all outdoor activities in terms 1 and 4. Please ensure that your child has a named school hat each day. As part of our Sun Smart Program, we will once again conduct HAT LOTTO. All students’ names will be placed in the draw. Each day several students will be drawn from the pool of names. The winners will receive an ice-pole as a reward for wearing a hat to school. Hat Lotto will begin on Monday 9th February.

Walking to school

I urge all families to walk or ride to school whenever possible in order to reduce the traffic congestion around the school. If possible try to support each other to ensure cars are left at home or at least parked well away from the school. Teachers will also encourage the students to walk to school through curriculum initiatives. It is anticipated that Bike Education will once again be offered to students in the junior school. A map outlining suitable parking spaces is available on the school website.

Welcome to new Staff Members

I would like to welcome three new staff members to Toorak Primary School for 2014.

Tamika Pettigrove    Foundation B
Maddison Brough     Level 01B
Kathryn Sinker      Music / Performing Arts

Leaders of Learning

Literacy and Data    Amy Heseltine
Deputy             Ross Brittan
Numeracy and Data    Steve Carota
Deputy             Declan Barron
Engagement, Wellbeing and Sustainability    Vittoria Dell’Atte
Deputy             Charlotte Gibson
Digital Literacy    Michael Holden
Deputy             Georgina Bishop

For the whole of term one Mrs Mary Lou Poulson will be on long service leave. Mrs Lisa Almond will teach in the library during term one before taking maternity leave at the end of the term. We welcome Lisa’s return albeit a short one.
Mr Geoff Wright will continue to support the instrumental music program through Musicorp. Ms Kathryn Sinker is the musical director this year and will oversee the musical production of, “The Little Mermaid”. Dates have been confirmed with Wesley College for Wednesday September 16th and Thursday 17th. We once again look forward to staging the biannual whole school musical which has proven to be a wonderful community building event for our school community.

Toorak Primary School is fortunate to have five specialist staff members employed to teach Visual Arts, Music, Physical Education, French and Library.

School Council Members for 2015
Since the number of nominations equalled the number of vacancies in the 2015 ballot, I hereby declare the following nominees elected to the Toorak Primary School Council: Rebekah Curtis, Don Stewart, Belinda Albietz, Adrian Neild in the parent member category and Charlotte Gibson and Georgina Bishop in the Department of Education and Training member category.

Congratulations to the 2015 School Councillors.

Parent Class Representatives
Each class is expected to nominate 2 class representatives to liaise between the classroom teacher and the parents. The task is not demanding but necessary for an involved community at all levels of the school. This year class representatives will, amongst other things, organise occasional social gatherings for their level as well as support the organisation and operation of the school canteen. Please complete the form on the following page and forward to your child’s classroom teacher to assist in this role.
On Wednesday the grade 3 to 6’s went to the Prahran Pool for the House Swimming Carnival. It was an amazing day even though the weather wasn’t fantastic. All students had a great day. There was a lot of cheering from all houses with their fantastic chants.

Thank you to all parents who came and helped, this day would not be possible without you. Also thank you teachers for making the day safe, and last but not least thank to Mr. Holden for organizing the day.

All students who did not do the races did a great job in novelty. The games were ball scrabble and relay races.

At the end we had a teacher and student race with Mr Golden and Mr Holden. It was a photo finish but Mr Golden won the race. Then it was time to announce which house won the swimming carnival. Hinkler came 4th, Kingsford came 3rd and Monash came second and Nelson won. All the students had an amazing experience.

Is your child interested in playing basketball? Would they like to be part of a fun and exciting team sport that can develop ball skills and teamwork? Toorak Primary School is looking for players that are interested in being part of a team to play in the Playball Competition at MSAC on either a Tuesday or Friday night. We currently have about 12 teams playing across all age groups on both nights. If your child is interested then please see Mr Holden or leave your name at the office and they will pass it on. If we get enough numbers we will be able to enter new teams or we will endeavour to add your child into the appropriate existing team. Students from Grade 1 - 6 are welcome.

We are also seeking parents to come and coach or manage a team. No coaching experience is necessary however it is preferred. Each team will also need a manager who is able to make it to games and help with scoring. MSAC runs coaching courses throughout the year if you would like to attend or I am happy to give you a quick “how to coach” session if you want some pointers. If you are interested in helping out then please see Mr Holden or leave your name at the office and I will be in contact.
**SWIMMING LESSONS**

From March 2nd to March 13th the students from Grade 3-6 will be participating in swimming lessons. This year we will be doing the lessons at King Swim in St Kilda. The students will be bussed over and back each day for the 2 weeks (except for Labor Day on March 9th). We will be seeking parental help to supervise the students. Please see your child’s classroom teacher if you are able to help. More detailed times will be sent out closer to the start of the program. Swimming is an important part of life in Australia and we encourage as many students as possible to be involved in learning this important life skill.

The Prep - Grade 2 students will be attending their swimming lessons in Term 4.

**NEWS FROM THE OFFICE**

**COMPASS**

TPS has launched a new parent portal called COMPASS. Compass will enable you to access your child’s attendance data and enter absences, approve your child’s absences online, provide parent consent for excursions and pay for school fee’s, excursions and camps securely online. In the last week, 2014 TPS families should have received a letter detailing your username and password to log into COMPASS. (2015 families will receive their letter shortly). If not, please contact the office. To access COMPASS, go to https://toorakps.vic.jdlf.com.au/ or use the link on the TPS webpage located at www.toorakps.vic.edu.au. Click on the link and follow the prompts using your login details. It is important that you retain your login details and keep them secure for future use.

**Food Allergies**

Please be aware TPS is a nut, lentil and kiwi fruit free school.

Teachers have requested if you wish to bring food in to share with the rest of the class eg. birthday, please label all ingredients in addition to discussing with the classroom teacher any special dietary requirements.

**A Message from the Stonnington Police**

As part of promoting awareness of our Stonnington Police Eyewatch Facebook Page – Stonnington Police are requesting assistance from Stonnington School Communities and Stonnington Community Organisations to circulate/share the Stonnington Police Eyewatch page via website/facebook/newsletters. [https://www.facebook.com/eyewatchstonningtonpsa](https://www.facebook.com/eyewatchstonningtonpsa)

Current crime prevention information, forums and daily ‘Persons of interest’ (who are being sought by Police to assist with reported crime and any ongoing investigations) will be available for viewing on our Stonnington Police Eyewatch page.

**MUSIC NEWS - WELCOME MISS SINKER**

We welcome Miss Sinker to the staff, as our specialist Teacher of Music. Miss Sinker is originally from England and moved to Melbourne in order to join her family who also emigrated here. Before arriving in Australia she taught Music for six years at British international schools in both Vietnam and Dubai.

Miss Sinker writes ‘I am delighted to be joining TPS at such an exciting time. We have a busy year ahead in Music and I look forward to getting to know students in lessons but also as we commence our rehearsals for this year’s production of *The Little Mermaid*.’

**MUSIC NEWS - THE LITTLE MERMAID**

Rehearsals for this year’s production of *‘The Little Mermaid’* are well underway and I am now calling out to parents/family who would be willing to lend a hand. Perhaps you have prop or set design experience, enjoy making costumes, are a bit of a make-up artist or would like to offer some general backstage help. If so, please get in touch and leave your name, phone number and email address at the Office. I look forward to hearing from you!
We welcome our new 2015 Foundation students and extend this welcome to all new families who are joining our school community. We have eighty-three students across our four Foundation classes this year from many different kindergartens. Interestingly, for the first time in many years, we have no twins or triplets starting school.

The students are busy exploring their new environments, learning rules and routines and making new friends.

The Foundation students are also lucky to have caring Grade 5/6 buddies who played with them on the first day and are coming to visit our classes regularly. We hope many wonderful friendships and alliances will form throughout the year.

We are currently practising assembly etiquette and look forward to attending our first whole school assembly in the first week of March. In the meantime, the photos reflect how much fun school can be!
Les Nouvelles Francaises

Toorak Primary School French Day
Wednesday 25th February 2015

A day of French language and culture that will include
- French morning assembly
- Crêpe making (and eating)
- Croissant and jam tastings
- Petanque
- Art and the Eiffel Tower
- French music and dancing
- French stories and videos

Students in France do not wear school uniforms; therefore our students may
dress up for this day and are not required to wear their school uniform. They
may like to wear French colours (blue, white and red)!

Parent helpers would be very much appreciated. If you are able to spare an hour or
two, please let Madame Anderson know.

TPS LIBRARY NEWS - Term 1

Welcome back to the new school year. Library borrowing for students will commence
on Monday 3rd February (Week 3). Could parents/guardians please ensure that P - 2
students remember to bring their library bag, clearly marked with their name each week ready to borrow
in the classroom's allocated time slot. The library will be open the 2nd half of lunch for students on
Tuesdays to enjoy some quiet time and relax with a favourite book.

The Goals of the Library:
- To assist students to acquire an interest in reading for enjoyment and to critically select and
evaluate literature
- To provide learning opportunities aimed at developing students' information literacy skills to
enable them to become efficient users of information and independent learners for life, and
- To provide a range of resources in varying formats to support students recreational reading
and inquiry based learning as well as teacher lesson delivery of the school's curriculum.

Library Program

During Term 1, all classes visit the library for a scheduled lesson conducted by the
teacher librarian. During this time students participate in activities designed to promote
appreciation of quality literature and development of information literacy skills.

Literature appreciation is developed by sharing books by many different authors and illustrators, all
aimed at exposing students to a diverse range of themes and cultures. This is achieved through
activities such as listening to book readings, participating in book discussions, responding to literature
creatively and in undertaking author studies.

Similarly, Information literacy skills are developed through age appropriate activities that incorporate
specific information skills such as note taking activities or preparing bibliographies for older students or
studying the features of a non-fiction book and how to use these for younger students.

Mrs. Lisa Almond (Teacher Librarian – Term 1)
Welcome to 2015 at TPS from all at the PFA. All PFA roles are now open. Please see Kirsty Iles, your class representative or any current PFA member if you are interested in any of the following roles:

Also the second-hand uniform shop is looking for donations in all items and sizes. If you have items of clothing that your child/children have grown out of over the summer, please see Lena Weaver or any PFA member about donating items. Thank you
EXTRA CURRICULAR ART CLASSES

TOORAK PRIMARY SCHOOL
AFTER SCHOOL
ART CLASSES

The art classes are designed to extend children’s artistic expression in drawing, painting and three dimensional art making. The classes are varied and a lot of fun with a focus on aesthetic development and artistic imagination; and on building skills, techniques and appreciation of art. Children are able to learn to draw, explore good quality art materials and their effects, and develop creative thinking and self confidence in making art work. I have taught art in primary schools for ten years and am a practising artist of many years experience. I am qualified in both art education and visual art, and specialise in drawing and painting.

Mary-Lin Litchfield - Art Teacher

The art classes are a small size so that every child can be given individual attention with their art learning. Therefore, places in the classes are limited. Please make enquiries first with the art teacher if you would like to enrol your child.

DAYS

WEDNESDAYS Senior Art Class – Grades 4, 5 and 6.

THURSDAYS Junior Art Class – Grades 1, 2 and 3.

TIMES

3.30 pm to 5 pm.

I ask that children arrive at the art room at 3.30 pm, drop off their bag, have a drink of water and be ready to start art class. I request children to remain in the art room at the end of class until collected. Arrangements can be made for your child to attend after school care from 5.15 pm.

COSTS

$ 19.00 a class, payable for the whole term in advance to the art teacher. Each term’s cost is $190, as an average of ten weeks per term. All art materials, aprons and a fruit snack are provided. The art classes are offered for a full term, and can then be continued. Children re-enrolling for subsequent terms have priority for a place in the art classes.

ENQUIRIES Please make all enquiries AT THE ART ROOM on Wednesdays or Thursdays after school, email at ml.l@optusnet.com.au, or phone after 7pm on 9806 0632.
