If you thought OSH was spooky last week, the Halloween themed activities we have in store this week will spook you right out of your socks! Join OSH this Wednesday, October 31st for our Halloween Party! With Halloween games and activities sure to trick you all.

Take a look at what we made last week by up-cycling old jars and using adhesive glue and tissue paper. The artists of the group took care in making these amazing Halloween inspired candle holders to decorate their homes with this Halloween. Well done everyone!

Get ready to hear the music! OSH is very excited to have some new musical instruments and toys. Feel free to also bring some in from home so we can all jam out together. Take a look at us playing with our new instruments!

COMING SOON! Stay tuned for our new addition to the Aboriginal corner. We are currently working hard on piecing together a Rainbow Serpent to have on display. Each section of the snake will be decorated by a different OSH member to form one amazing collective art installation.

Toorak OSH is in need of some new dress ups. If any families have old dress ups they are looking to donate OSH would love to give them a new home. They will be very loved here!
