Last week of term 3

This week is the last week before term three holidays commence. We would like to thank everyone for a fantastic term and hope that everyone has a fun and safe holiday.

We will see you all in term 4, with many other fun activities.

Friday 22nd of September

OSHClub will commence at 2:30 as this is the time that school will finish for the day, and will finish at 6 pm as usual.

Outstanding Behaviour

During the last week, student's have continued to use their manners as they greet staff with respect and listen well to instructions. I have noticed inclusion being portrayed in the play ground with all student's.

New equipment

Students have been introduced to a wide range of new games, sport equipment, toys and books. The students have all discussed the way in which we treat the new and existing equipment. They are proving to be enjoying it making the use of all of our possessions.

This Week

Before the end of term, students will be completing a practice fire drill and lockdown.

There will be a range of activities that cover different aspects to engage student's creative thinking. Some include: **Chain Story Writing, don't drop the asteroid and African pancakes**

Parent Reminders:

- Please remember to book your child in online; you can book up until midnight the day before. When something comes up on the day, you can book via phone, please call or text the program on:

0423 777 185.

For after school care bookings **on the day**, please call or text before 9am. This enables us to ensure we have enough staff to fulfil a 1:15 ratio, and to ensure we can have enough food prepared for every child.

- If you have booked your child online, and they are not going to attend: please let us know by texting the program number. This is very important, as otherwise we have to assume that your child is missing, and if we cannot get in contact with any parents/guardians by 4pm then we are obligated to follow our missing child procedure and call the police.

Our Staff: Celeste (Coordinator), Luisa (Assistant coordinator), and Steve (Educator).
