

OSH Club has had some wonderful events, we celebrated Halloween with mask making and we were fortunate enough to see some of the amazing costumes the students created for trickle treating. We have had a range of performances created by the children, everything from fashion shows, to singing, drama, and gymnastics. It has been wonderful to see the cooperation in organising and rehearsing these performances, which have entertained parents, staff and students alike. A special thanks to Sierra and Victoria for their enthusiasm assisting in managing these performances.

We would like to wish Tia the very best in her new school, and thank her for her colourful character here at Oshclub. We believe you will enjoy and exceed at your new school.

We have introduced scrapbooks at Oshclub, the children are using in different ways as shown by Oliver where he has written down all of the Adelaide football song. Making it very individual to each child. Some boys have started making a group book where they draw and write stories about starwars.

These scrapbook help use to save paper and be environmentally aware.

A reminder that term 4 is sun smart, **No Hat, No Sunscreen, No Play** please remember to bring your hat to afterschool care. We provide sunscreen for the children, however if your child has a skin sensitivity please feel free to bring your own sunscreen.

This week activities include cooking, science experiments and upcycling old cd case, group games and many suggestions from the children.
