

Term 1: 25th February 2021

What we did in the last few weeks.....

We celebrated many different things, but the children's favourite was our Chinese new year activities (OX). We made different crafts related to the theme like lanterns, dragon puppets, Ox heads etc. We also cooked cookies and noodles as part of celebrations.

We also asked children's feedback on what they want to do in next few weeks and based on them we have exciting programs coming in.

What we are doing in the coming weeks.....

We are starting 3 new clubs from next week based on feedback!

- ✓ Cooking Club
- ✓ Building Club
- ✓ Sports Club
- ✓ STEM Club
- ✓ Homework Club (every day at 5 pm)

All this clubs will be shuffled between days so most children can enjoy it. And other weekly themes will be changed every Monday and activities will be related to them like Pet's week, France week, Wildlife week etc

Please do drop in to speak to us and find out more about the program.
