OSHClub has started with a creative term 4.

The children have given some brilliant ideas for activities which we have integrated into the weekly planner. One example of this was Alisa Osborne suggested melting crayons, Alisa showed she was able to encourage younger children during this activity. Those who participated had a lot of fun. Thank you to all.

During OSHClub we encourage all children to complete their homework. We offer a range of activities such as science experiments, cooking, constructions, painting, drawing, and outside group games. Children are given opportunities to explore leadership skills and discover hidden talents.

We would like to thank and wish Lisa Trugette all the best in her new role as Grade 1 teacher at the school, we are sure the children are enjoying having her as their teacher.

Parent Reminders:

Booking into the program:

We encourage you to book online for both before school care and after school care at www.oshclub.com.au and follow the links, for the days you need your child/children to attend this allows us to have enough staff to run a great program.

If your booking is a late or emergency booking an extra fee applies. For all of these booking please text or call the program number on 0423 777 185, we can inform the school of their attendance.

Children not attending: If your child is booked into after school care and will not attend, please contact us as soon as possible on the program number 0423 777 185. We understand that last minute events happen and by contacting us we won't consider them to be missing, were we follow our missing child procedure. Your cooperation is greatly appreciated in this.

OSHC program phone: **0423777185**	OSHClub Head Office: **03 85649000**
