Last week some of Toorak's talented chefs worked very hard together to create a beautiful apple crumble! With help we peeled and chopped many green apples. We then chose what spices to add in. Then we mixed together the butter, sugar, oats and flower to make the crumble topping. Look at our enthusiastic prep working hard at mixing it all up with her hands, we are very happy to see other OSH members being kind and caring by helping her during this process. This crumble topping was then carefully placed over the apples and the dish was baked in the oven. The lucky chefs brought their masterpiece home with them that afternoon.

Toorak OSH would like to give a special shout out to Pia in Grade 1. Pia has been very kind and caring with helping the new preps this Term and has made some new friends. Pia is constantly demonstrating how to be a caring and kind student. Thanks for helping the new preps feel comfortable Pia, well done!!
