If you have any breakfast ideas that you would love to have, let Georgia know!

We are also starting a morning cooking club – come and join us for some tasty baked brekkie treats!

Goodbye... for now!

At the end of week 1, we sadly said goodbye (for now) to our lovely educator Amy. Amy is due to have her first child at the start of July and, with much sadness, she is now having to step down as educator at Toorak. She has loved every second of getting to know the children in service and says she will keep us up to date with lots of pictures when baby is born! We're looking to send her a card next week so if you would like to write a message, please let me know.

What we have done this week...

Last Sunday was Mother's Day so we jammed packed our week with lots of lovely activities to help us celebrate all the children's special people at home! We made lovely Mother's Day cards and on Friday worked together with Steve to make some yummy cupcakes! We hope you enjoyed them!

We loved getting crafty this week and decided to use food as our art work inspo! We cooked down some spaghetti and loved thinking of ways to use it to create art pieces. We had spaghetti snakes and snails and even a huge spaghetti sun. The children found it very funny that we were sticking it to paper rather than eating it.

Our other craft activity this week was run by our very own Evie Fletcher. Evie created a paper peacock earlier in the week and was keen to run her own activity. The children loved using feathers and jewels to help decorate their paper animals. Thanks for the activity idea Evie!

Last week we also had a curriculum day so the children were here all day! We had lots of fun making Mother's Day cake pops and Georgia spent most of her day creating some fun face paints for the children! The children loved getting creative with the face paint ideas; we had ghostbusters, emojis, vampires, butterflies and even minions!

Our shout out this week goes to Prep Aarav Punj. Aarav has come back this term with such a fantastic attitude to OSHclub and has really settled back into routine well. Aarav has a huge interest in birds and wildlife and it is great to see his passion come out during our activities. His behaviour has excelled so far... keep it up Aarav!
