

Drama Performance

Some of our older children, who have been learning about cyber bullying in class, utilised their new found knowledge to develop a lesson plan, using role play to teach younger children about the dangers and harm that can be done through cyber bullying. Dalitso, Alisa, Ava and Isabella really impressed everyone with their initiative and theatrical talent!

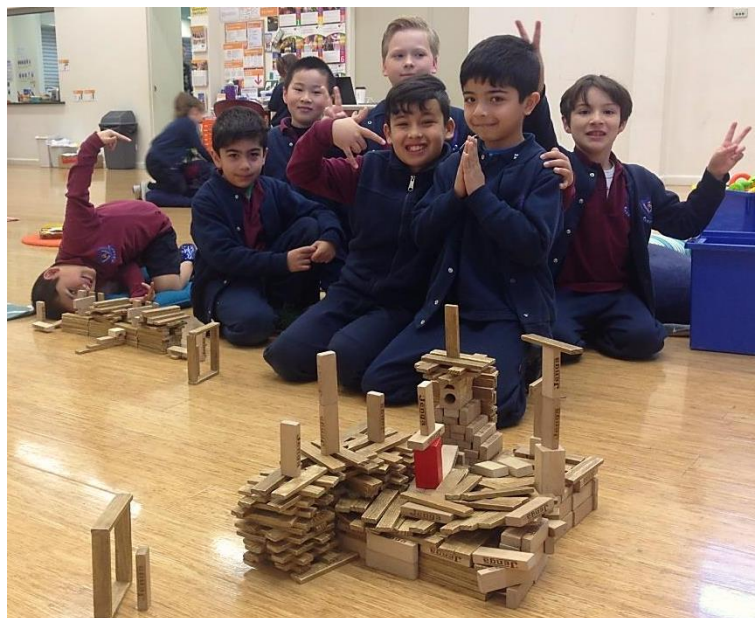

Construction

Many of the children that attend OSHclub love to construct and create.

Below right, Jye, Sepehr, Soroush, Christian, Devente, Nicholas and Marcus worked together to design and construct a secret base tower and a defensive wall!
