During our Friday cooking classes we use recipes from all around the world!! Here at Toorak OSHClub we are a very diverse group, with members from a wide variety of cultural backgrounds. Using recipes from around the world gives all our members a chance to relate to the different dishes. This week we went all the way to India with a roast sweet potato red lentil dahl. Our chefs did an amazing job of working together and taking turns in preparing the ingredients. They were very patient while waiting for the curry to cook and were more than happy to share their creation with their fellow OSH members. The curry was served with rice and a piece of naan! We were very proud of everyone that was brave enough to try it!

Here at Toorak OSH we love doing art activities! Last week we used air dry coloured clay to create our own hand made beads to make bracelets with! Here we are working hard and being creative!

Last month OSHClub got a new Aboriginal corner. This corner is a very special space in the Hall for our members to relax and rest. The Aboriginal corner is a great space to visit if someone isn't feeling well or has been injured. During this term we will be doing various Aboriginal inspired art activities to decorate this beautiful space. Last week we used Native symbols to create Aboriginal inspired dot paintings to tell a story. Here we are working on our creations.

This week we would love to say a special shout out to our OSH member Zach Travers! Zach, we have really enjoyed your positive attitude and enthusiasm while at OSH these past few weeks. You have been an amazing team player and have been making a very notable effort to help out when needed. Thanks for being such a great role model Zach, and keep up the great work man!!
