Last week Toorak OSH returned to Vietnam! Seeing as they were so popular the first time, we decided to make Vietnamese style rice paper rolls again. The chefs took care in selecting their ingredients, choosing from assorted vegetables, and tofu. They then put them on top of their rice paper skin. We took care when gently wrapping up the delicate packages into neat little rolls. What a fun way to eat your veggies!! Well done guys!!

OSH got green last week when we planted in our very own mini herb garden green house. The kids took care in making sure the soil was properly fertilised and healthy for optimal herb growth. They then carefully selected seeds to insert into the soil. Now the waiting begins..... The children have been very responsible in caring for the herbs and watering them just a little every day. Stay tuned for some delicious cooking using our very own herbs! Feel free to stop by the kitchen for a look.
