Toorak OSH has hooked up with an amazing organisation called OzHarvest. OzHarvest is Australia's leading food rescue organisation, collecting quality excess food from commercial outlets and delivering it directly to more than 1300 charities supporting people in need across the country. The now very experienced chefs of Toorak OSH were delighted to make two delicious vegetable lasagne' for the cause. As we have made lasagne many times before the chefs knew exactly what to do. During this activity we discussed the importance of donating and volunteering, and charities like these. Here at Toorak OSH we love giving back to our community and reflecting on how fortunate we are.

The week before last we went all the way to Italy when we made our very own pasta. The chefs carefully measured the flour and oil and were very gentle when cracking the eggs. They did an amazing job of incorporating the ingredients together and were very patient as the dough had to be kneaded for 10 minutes before resting for about half an hour. We then rolled the dough out very careful and had fun making all sorts of pasta shapes.

Last week's activity sparked some creativity when OSH learned a bit about electrical circuits with Steve. Everyone had the chance to create their own circuit that lit up the eyes of their coloured in witch drawings.....take a look! Stay tuned as Steve has more electrical activities planned for weeks to come.

Parent Information

Next week (week 7) the Hall will be used for the Toorak Primary Yearly Art Show. During this time OSH will be using the library in the mornings and the prep rooms in the afternoon. The prep rooms are located upstairs. If you have any questions or concerns please feel free to call Alexandra.

We would like to give a special shout out to Zach Wilson for pushing himself out of his comfort zone and trying new things last week. Zach was very keen to help out by creating a decoration for the Aboriginal Corner. Zach always proves to be a great friend to others by showing how caring he is! Thanks for being a great role model for our OSH community Zach!
