This week our chefs went all the way to Greece, when we made our own version of spanakopita. This week we cooked without a recipe and made our spanakopita based on our flavour preferences, using different herbs that we felt would work well together, like basil and parsley. The chefs learnt what it's like to cook freestyle and improvise when needed! Well done chefs, they turned out great!

Some of our very talented OSH members surprised us all and put on a show one rainy afternoon last week. We had a range of performances including singing and dancing, the crowd was very engaged. Well done super stars of Toorak OSH!

Last week Toorak OSH got a bit hippie by making our own tie die creations.

This week we would like to say a special shout out to our 5 STAR earning OSHClub member John Mason. John is always excited to participate in every activity and continuously proves to be a great helper. He always maintains a positive attitude and is happy to step up and help those in need. John has earned 5 STARS over the past few weeks, He has chosen to make brownies with the group on Tuesday as his reward! Great job John!
