This week the group did lots of cooking and baking! We made deliciously pink and blue apple and oat muffins on Monday with Steve, which we enjoyed for breakfast all week. Tuesday ASC we made a delicious batch of brownies as a 5 Star chosen activity... And boy were they ever good?! Then to finish up the week we made a sweet potato and couscous slice with Amy. This gave the kids a chance to see first hand what it is like to improvise in the kitchen. Although the recipe asked for pumpkin we switched it up a bit and used sweet potato, showing the kids the importance of being flexible while cooking.

The artists of the group had lots of fun creating their own puff paint on Monday last week. The paint was created using a variety of ingredients including flour, baking powder and colouring. We then transferred the mixture into piping bags. This allowed us to use the mixture to create varying designs by either piping it, or as many of the kids chose, by painting with a more hands on approach. Once the paintings were done it was time for the masterpieces to go in the MICROWAVE! When the paint was heated it puffed right up off the paper, what an amazing experiment! Great job artists!

This week we would like to give a shout out to a very special preppy Isaac Tham. Isaac's excitement for OSH is contagious! He is always eager to get involved. He is a very creative individual and loves sharing his beautiful drawings and lego creations with everyone. Thanks for being such a great OSH member Isaac!!

**REMINDER:**

Now that we are in term 3 we will not be picking prep students up from their classes after school. They will now be responsible to walk to OSH on their own after the bell.
