

Construction is a regular activity in OSHClub, using a variety of different materials. Here Ben, Erson and Olivia have created different structures using the mabel run blocks.

During the hot days we encourage outside play in the shaded areas of the playground. This week we had a water balloon challenge, in which children aimed to throw the balloons into a hoop. Riley showed great leadership in managing this challenge.

A reminder that term 4 is sun smart, **No Hat, No Sunscreen, No Play** please remember to bring your hat to afterschool care. We provide sunscreen for the children, however if your child has a skin sensitivity please feel free to bring your own sunscreen.

This week activities include cooking, science experiments, painting and group games.

<p>Staff and Contact Details Michelle (Coordinator), Luisa and Laura</p>	<p>OSHClub program phone: 0423 777 185 OSHClub Head Office: 03 85649000</p>
