Last weeks cooking class took us all the way to Asia! We made vegetable spring rolls. Our chef did a great job of following the recipe and preparing all the ingredients. Once the vegetables had been cooked the mixture was scooped onto our filo pastry sheets and wrapped into little spring roll packages. The students did an amazing job of rolling all of them perfectly!

The kids were over the MOON with last weeks activities as we made moon sand with Steve. This concoction has a range of ingredients including oil and corn starch to make mouldable sand. Our scientists in the group loved it! The crafters of our group did an amazing job making different owls out of toilet rolls and coloured paper. Look how well they all turned out!
