

Raina Ahmed

Coordinator/ Educator

About me

"I am currently in the final year of my Master's in Primary Education, with eight years of experience as a teacher's aide and four months in Out of School Hours Care (OSHC). My enduring passion for working with children fuels my commitment to fostering enriching environments that support not only academic growth but also social and emotional well-being. I bring a diverse perspective to my work and am excited to embark on a new chapter at Toorak Primary School. I am confident that my dedication and experience will positively contribute to the holistic development of the students."

My favourite activities

"My favourite activities include arts and crafts, as well as sports games. I'm enthusiastic about creating exciting lesson plans that seamlessly integrate creativity and physical activity, offering a fun-filled experience for children who have a passion for both arts and crafts and sports."

Fun fact

"A fun fact about me is that I love to travel, and I've explored various destinations across the world. Additionally, I have a passion for dancing and enjoy grooving to the beat."

My goal at OSHC this year

"My goal is to promote sustainability and establish a healthy snack workshop to encourage healthy eating habits among children."
