## ■ From the principal

As a school we value working hard and love celebrating success. We were excited that Lily Bowman, Roisin Murphy and Aliya Muller have been rewarded for their effort after producing an award winning performance in the Global Village Bilingual Speaking Competition last weekend. *800+ participants and 150+ teachers in Victoria. There were many more from China. As the youngest in the secondary section, they were simply outstanding!*

We are very proud of the students, Mr Lin and Jing. The Enhanced Chinese Program is one of key things that will make our school a success. First signs confirm this will be true.

Our building progresses well and we are on track to deliver as promised. I met with local member Richard Wynne last week and gave him a sneak preview of our lovely Founder Badges. These badges are only going to be presented to Foundation Students, Staff, School Council and Mr Wynne. I let him know where we are with our planning and a few key achievements of recent months.

This week we have employed a leading teacher, and prepared for the hiring of eight teachers. After this we will hire some further Education Support Officers and a librarian. The Leading Teacher will be Head of Year 7 and 8. Our small school will very
