

Toorak Primary School BYOD Information Sheet

Toorak Primary School has selected several devices suitable for the school curriculum. Prior to browsing the portal, parents would need to register their details.

Once registered, the portal is a simple 3 step process -

1. Browse the devices
2. Browse the suitable accessories
3. Review order, confirm and pay

Register your details

Log onto the Portal registration page: <https://eduportal.centrecom.com.au>

Enter in the School Identification Code: **TPS3142** and click register

TPS3142	Register →
---------	------------

1. Complete the registration details (your details, your child's details)
You would be required to have an email address and create your password for the portal
2. Download the **Schools Acceptable Use Agreement Policy**
3. You must tick that you agree to the terms and conditions and this includes the **Schools Acceptance User Agreement Policy**
4. Click the **submit** button.

Signing into the Portal

Once registration is complete, a prompt will indicate its success.

✓ **Success!** Your registration is completed, please click **here** to sign in.

You can now click the “**here**” to start browsing the BYOD device catalogue

A new web page will open

Under the section **Returning Student**, please put in your email and password (the details you had provided as part of the registration). And click **Login**

 **Returning Student**

Alternatively, if you would like to proceed at a later date to browse the catalogue, the direct web address is: <https://eduportal.centrecom.com.au>

Your BYOD profile will be opened

Click to review your profile details. You can add extra children, change password, review your orders and warranty/insurance claims here.

The child's name you are purchasing the device for appears here. For those that have more than one child, select the child that you wish to purchase for.

The screenshot shows the 'CENTRE COM EDUCATION' logo at the top left. The top navigation bar includes links for 'My Profile', 'View Devices', and 'Sign Out', with the 'Current Student' dropdown set to 'Mick Thomas'. The main heading reads 'Welcome to the Toorak Primary School BYOD Portal'. Below this, a 'Delivery Arrangements' section provides information for Acer and HP machines. The interface is divided into three columns: 'Recommendations' with a 'Start Purchase' button, 'Repair' with a 'Claim' button, and 'Orders (Last 3)' which lists three orders (13218 Pending, 12629 Cancelled, 12628 Cancelled) with a 'See all' link. Red boxes and arrows highlight the 'My Profile' link, the 'Start Purchase' button, and the 'Orders' list, with corresponding explanatory text blocks.

Welcome to the Toorak Primary School BYOD Portal

Welcome to the Toorak Primary School BYOD Portal.

Delivery Arrangements:

For Acer Machines: Orders (and payment) received by November 25th will have their devices delivered to school 9th December for set up and configuration. School will dispatch these to students prior to the end of the school year. Orders (and payments) received from 26th November will be delivered to the school upon the 2017 school year commencement.

For HP Machines: 4.5 weeks from when order is received

Recommendations

This section provides students with detailed information about the computers selected by your school for students to select a model that best meets your needs.

Repair

PLEASE BRING YOUR DEVICE TO THE SCHOOL HELP DESK TO LODGE A CLAIM
