

## **Student Leadership Behaviour**

### **Protocols & Consequences**

Dear Students, Parents and Teachers,

It is imperative that our leaders maintain an outstanding level of conduct in their roles as leaders at Toorak Primary School. The teachers have been very impressed overall with the maturity and general behaviour of this year's leaders. We now wish to ensure that all leaders not only continue to adhere to the Senior School protocols but encourage and model this level of conduct to all other students. In order to ensure this occurs, we will be implementing the following guidelines and consequences:

#### **Protocols for Leaders**

Leaders will strive to model all protocols through exemplary behaviour and encouragement of others.

1. We are respectful of everyone and all materials we use.
2. We stay on task and strive to extend our learning.
3. We are active and respectful listeners.
4. We are responsible, mature and fair role models.
5. We will think, act and speak positively.
6. We work together for the benefit of the community.

## **Guidelines**

1. If students fail to follow any of the above protocols they will be provided with a feedback and supported to modify their behaviour or to be given additional guidance on how to fulfil their role.
2. They will be alerted to the protocol they're not following and will be able to discuss the issues with a nominated support staff member.
3. If they don't change their behaviour or do not fulfil their roles and responsibilities, a warning will be placed on their termly report card.
4. If the student receives three warnings, they will receive one of the following consequences in order.

## **Consequences:**

1. Removal from assembly for 1 week.
2. Removal from any leadership duties for 2 weeks.
3. Suspension from Leadership role for 2-4 weeks.
4. Meeting held about permanent removal from Leadership role.

We trust that all students will continue to demonstrate exemplary leadership and behaviour over the duration of the year. Thank you for your support.

Kind Regards,

Grade 6 Teachers and Julie Manallack

---

I have read and discussed the above protocols.
